

The robust brass padlock

The Monoblock 82 is particularly suitable for locking areas that are difficult to access, such as roller grilles, vending machines, etc.

The shackle is made of hardened special steel. A hardened steel pin on the narrow side of the lock body protects against manipulation with sawing tools. Due to the special design, the padlock is locked intuitively without a key by simply pressing the shackle.

Technologies

- Solid lock body made from brass
- 12 mm hardened special steel shackle
- A hardened steel pin protects the narrow side of the lock body against sawing
- Automatic locking: Locking without key by pushing down the shackle
- Precision pin cylinder
- Inner components made from rust-free materials
- Incl. two keys

Operation and use

- 82/63 + 82/70: To secure valuables/goods of medium value or at an average risk of theft
- 82/90: To secure valuables/goods of greater value or at a high risk of theft
- For special applications, e.g. automats as well as gates, doors, containers, lorries, etc.
- Ideally used with ABUS hasps No. 125 and 130

Variants

- Sizes: 63, 70, 90 mm

Technical data - 82/90

Depth e	22,5 mm
Height f	61 mm
Horizontal clearance b	35 mm
Keyed alike	No
Locking type	key
Security Level Home Security	7
Security card	No
Shackle diameter d	12 mm
Vertical clearance c	18 mm
Weight	712 g
Width a	90 mm
colour	brass
EAN	4003318114922
