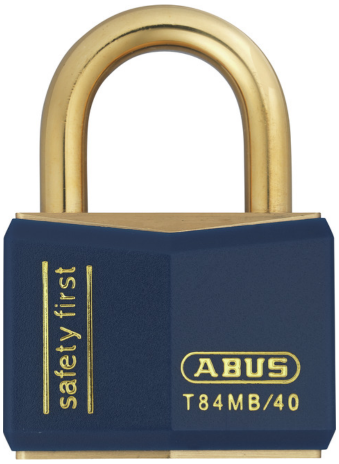
T84MB/40 blue safety first



OUTDOOR AND HARBOUR

The T84MB padlock is a solid brass lock with synthetic coating for outdoor use.

Are you looking for cover for small to medium values for the outdoor sector, for example for boating and sailing or other outdoor activities such as camping, holidays with the caravan and more? Then the T84MB padlock could be a good choice for you. The corrosion-resistant padlock with precision cylinder is made of solid brass and has a synthetic coating. This protects the adjacent surfaces, for example boxes and so on. It is automatically locked by pressing down the shackle and unlocked with a key.

Technologies

- Solid lock body made from brass
- Double locking (from 30 mm)
- Inner components made from rust-free materials
- Self-locking: lock without the key by pushing down the shackle
- Precision pin cylinder
- Paracentric key profile for increased protection against manipulation
- Includes two keys

Operation and use

- T84MB20 – T84MB30: protection of smaller assets and objects or those with a low risk of theft
- T84MB40: security for assets and objects of medium value or where there is an average risk of theft
- Ideal for severe weather conditions (e.g., in sea and port areas, for securing vehicles and boats in outdoor use)

T84MB/40 blue safety first

- Suitable for securing cupboards, lockers, bags, suitcases, boxes, cassettes, etc.

Variants

- Sizes: 20, 30, 40 mm
