

EASY TO SEE THROUGH

With this door viewer, you are guaranteed to see who is standing in front of your door.

Time and again, senior citizens become victims of tricksters who show up outside their front door. Protect yourself and your loved ones with this reliable door viewer. The peephole offers a comprehensive view outside with a wide-angle lens of approx. 160 degrees and is suitable for door thicknesses from 35 to 59 millimetres. It has a brass housing and is easily and securely mounted.

Technologies
