

HAVE AND WELL SAFELY PROTECTED

Adaptable security door bar for the protection of valuable items.

When it comes to cellars, garages and storerooms, burglars often smell a big deal. Protect your stored valuables with this resistant security door bar. The bolt can be mounted on doors with a width of 78 to 104 centimetres, special lengths of 104 to 144 centimetres are also available. The product closes with a strong special bolt and can only be opened from the inside with a profile half cylinder. The scope of delivery includes an ABUS cylinder of the E550 10/30 series and three keys.
