ELEGANT, VERSATILE, FAST: FOR PERFECT MOUNTING

Position your cameras perfectly! With the elegant aluminium bracket, there are no limits to your installation wishes. Use the mount as a table stand or for ceiling mounting, for example.

With the 1/4" (1/4 inch) thread of the stand screw, the mount can be used universally for many different devices. In addition to surveillance cameras (box cameras, Boxtype etc.), also suitable for IR illuminators, photo cameras or e.g. laboratory and measuring equipment.

The universal camera mount is equipped with a 360° ball head with quick-release fastener. Its load capacity is 3 kg.

The internal cable routing offers protection from the weather.
