

1.5V AA/LR06 Alkaline Battery Procell MN1500

Art.-Nr. AZBT10100

Seite 1 von 1

The Procell Alkaline Constant Power AA industrial battery is ideal for powering professional devices which require constant current over a long period of time.

Technologies

- replacement battery for FUBW60100, FUBW60120, FURM60000, FUSG60110, FUM060010

Technical data - 1.5V AA/LR06 Alkaline Battery Procell MN1500

Battery - quantity	1
Capacity	3.125 mAh
Dimensions	50,5 x 14,5 Ø mm
Gross weight	0,025 kg
Height	50,5 mm
Max. operating temperature	54 °C
Min. operating temperature	-20 °C
