Scraper 3.0 signal orange M

A HELMET FOR EVERY OCCASION

Lifestyle athletes rely on hard shell helmets that are rugged and look sporty.

The Scraper 3.0 convinces sports enthusiasts all along the line. Not only does it look cool as a hard shell helmet, it is particularly suitable for any action-packed leisure activity.

The Scraper 3.0 is just as much at home on the bike as in the halfpipe, protecting the BMX rider as reliably as the longboard fan. And with the optional winter kit, you can go out in all weathers.

The intelligent ventilation system with its many inlets and outlets and the numerous adjustment options, which adapt the Scraper 3.0 to each head in a few easy steps, ensure the greatest possible comfort.

Technologies

- Ponytail Fit: thanks to the opening in the height-adjustable adjustment system, the helmet is also suitable for long hairstyles such as ponytails, buns, or braids
- Reflector Sticker: for better visibility in the dark
- Zoom™ Spin adjustment system: rotary wheel at the back of the head for individual adjustment of the helmet to the head size
- Flap Divider™: strap divider for individual adjustment of the straps below the ears – with clamp fastener to fix the set position
- Comfort Pads: soft padded inserts for optimum comfort, attached to the helmet with Velcro
- Removable, washable pads: can be removed and washed by hand or replaced if necessary

Scraper 3.0 signal orange M

- Push-in buckle: for safe and practical handling, the straps are fitted with a classic chin lock (three-pronged connection) for opening and closing
- Hard shell application: production process in which the outer, injection-moulded shell made of hard plastic is placed over the shock-absorbing rigid foam, thus ensuring a high level of robustness and protection

Technical data - Scraper 3.0 signal orange M
