SECURE FROM THE WORD GO

These bike locks help even very young children enjoy securing their bikes. Children can learn how to secure their belongings whilst having fun.

The My first ABUS chain lock has been designed specially for children. The child-friendly ergonomics on the lock and the lock housing make it easy for children to lock up their own bikes. The automatic cylinder locks on both sides, making the lock very easy to use. Children can learn how to use a bike lock whilst having fun.

Technologies

- 4 mm chain with textile sleeve to protect against damage to the paintwork
- The chain is made of special steel
- The playful lock is very easy to use with its automatic cylinder, which locks on both sides
- Special children's design available in two colours
- Both the lock and lock housing are ergonomically designed for children
- Comes with two keys and a colourful keyring

Operation and use

- Theft protection for children's bikes

Tips

- This children's lock is also available as a cable lock
- My first ABUS is best suited as a first lock for children
