

Smiley 2.0 royal blue S

SAFETY IN ROYAL COLOURS

The SMILEY 2.0 Royal from ABUS provides little cyclists with everyday all-round protection. This tried-and-tested everyday helmet is now also available in royal, muted colours and with a large reflector.

Whether your child is still sitting in the child seat, has progressed to the training bike or is trying their own child's bike for the first time - this simple entry-level helmet in royal colours offers reliable protection. If you are chauffeuring your child around in the child seat, they will be relaxed and comfortable thanks to the back of the gently sloping helmet. With the small visor and the deep neck area, the SMILEY 2.0 Royal protects your child from all sides.

Technologies

- In-Mold for a hard-wearing, flat connection to the outer shell and the shock-absorbing helmet material (EPS)
- Visor-like front edge ensuring enhanced protection for the face
- Deep temple and neck area for increased all-round protection
- Zoom Evo Kids – precise adjustment system
- Size adjustment with a full ring made from especially hard-wearing and mouldable plastic for optimum stability and form fitting
- Excellent ventilation with 8 air inlets with fly net
- Colour-coordinated soft straps that are simple to fit thanks to practical sliders
- Passive safety thanks to reflectors
