NEVER COMPROMISE

The StormChaser offers the right performance for any race:

road, cross and even crit. It is light, comfortable, perfectly ventilated and the ActiCage, a structural reinforcement built into the EPS, offers superb protection.

Technologies

- **Ponytail Fit:** thanks to the opening in the height-adjustable adjustment system, the helmet is also suitable for long hairstyles such as ponytails, buns, or braids
- **Front Eyewear Port:** defined recess on the front of the helmet to position glasses in a secure and aerodynamic holding position while riding
- **Acti Cage™:** allows larger ventilation openings combined with high stability thanks to foamed-in structural reinforcement
- **Reflector Sticker:** for better visibility in the dark
- **Zoom™ Spin adjustment system:** rotary wheel at the back of the head for individual adjustment of the helmet to the head size
- **Stitched straps:** for optimum aerodynamics, the straps are sewn and therefore do not require any strap dividers – this means they fit particularly snugly and do not flap while riding
- **Floating Pad:** padding on the inside of the helmet, which is clicked into place via several attachment points, making it more flexible and offering better ventilation and greater wear comfort
- **Removable, washable pads:** can be removed and washed by hand or replaced if necessary
- **Push-in buckle:** for safe and practical handling, the straps are fitted with a classic chin lock (three-pronged)

connection) for opening and closing

- In-mould process: production process in which the inner cushioning material made of expanded polystyrene (EPS) is foamed directly into the outer shell made of polycarbonate (PC) – this creates a durable and robust connection

Technical data - StormChaser titan M

Finish	shiny
Head size	54-58 cm
Peak	No
Size	M
Visor	No
Weight	220 g
backlight	No
color of facets	grey, black
design color	titan
EAN	4003318871986
