20 KEYS OR 14 PLASTIC CARDS

Our KeyGarage™ 787 with number code is very suitable for storing keys and plastic cards securely and making them available to other people.

Hiding keys under the doormat or flowerpot? That is definitely not safe enough for us! With this KeyGarage™, your keys and cards can be conveniently and safely stored away from casual theft. Inside the strong metal housing there is room for up to 20 keys or 14 cards. If necessary, you can also hang the keys on two key hooks. We recommend that you install the 787 KeyGarage™ in a protected outdoor area. It can be opened with a four-digit number code that you can set individually. This means that only authorised persons have access - which is particularly useful for frequently changing groups of people, such as tradesmen, holiday guests, vehicle rental companies, mobile care services and the like.
