IVY Chain 9210/85 black

TAKE NO RISKS

This chain lock is ideal for high quality bikes and bikes that are often parked for longer in public

If you've spent a lot of money on a high-quality bike, please don't skimp on safety or theft protection under any circumstances. The ABUS Chain Lock IVY Chain 9210 offers very good protection and is particularly suitable for parking spots where there is a high risk of theft.

Technologies

- 10 mm square chain with new functional, durable and highly flexible synthetic fibre sleeve prevents damage to paintwork
- The chain, the lock body and supporting elements of the locking mechanism are made of specially hardened steel
- Ergonomically-shaped lock body
- Comes with a user-friendly reversible key

Operation and use

- Excellent protection where the risk of theft is high
- Ideal for protecting high-value bicycles
- The longer the chain, the easier the bicycle can be locked to a fixed object
- High-tech construction: Weather resistant and moisture repellent

Tips

- Very easy to use, because only one end of the chain has to be locked
