

SOLID AND SAFE

We recommend our Silver Rock™ 5 padlock with a solid zinc lock body if you want to secure medium values.

Secure your doors, gates, cabinets and toolboxes with the ABUS Silver Rock. The solid zinc lock body makes the ABUS Silver Rock a real heavyweight and reliably secures what is important to you. Ideally suited for indoor use and securing medium values. The blue silicone protective frame on the lock protects sensitive surfaces of doors, tool boxes and the like.

Technologies

- Heavy zinc body
- Hardened steel shackle with NANO PROTECT™ coating for increased protection against rust on shackle
- An innovative silicone protective bumper prevents scratches and damage
- The precision cylinder with paracentric key cuts protects against tampering
- Four standard sizes

Operation and use

- Security for items/goods of medium value or where there is an average risk of theft
- Suitable for securing doors, gates, cupboards, lockers, tool boxes, basement windows, sheds, switch boxes, cupboards, etc.

Variants

- Long shackle (HB): 40HB40, 40HB63, 50HB80
-
