

HIGH SECURITY DISKUS® 20 SERIES

Highest Security 20 Series

The 20 Series Diskus® lock offers the highest security out of the entire Diskus® family. The cylinder has been improved by adding the ABUS-PLUS cylinder which offers the highest protection against manipulation with 250,000 key differs as well as drilling

and pulling protection. The shackle has been improved with a special hardened alloy steel. The lock is virtually pickproof and extremely strong and should be used when you want the ultimate security in a disc lock.

Key Features

- Original Diskus® design: 360° protection
- 100% non-corrosive stainless steel inside and out
- Diskus® Deep-Welding Technology provides maximum strength
- Shackle made from hardened alloy steel
- Anti-cut plate
- ABUS-Plus disk cylinder: highest protection against manipulation, extremely high number of key differs, drilling and pulling protected
- Made in Germany
