

GRANIT™ 37 SERIES

GRANIT™ Series

The Granit™ 37 Series has pulling resistance of **over six tons** and features the **ABUS Plus** locking system. The 7 disc plus cylinder, offering more than 250,000 key differs, is extremely effective at preventing manipulative break-in

attempts such as picking.

Key Features

- Body and shackle made from hardened alloy steel
- ABUS-Plus disk cylinder, highest protection against manipulation, extremely high number of key differs
- Black Granit coating for corrosion resistance
- RK: cylinder can be rekeyed to match an existing key
- Shackle guard protects against attacks with tools
- 2 keys, 1 with LED light
- **NEW!** Solid stainless steel lock body and shackle (37ST/55) for extreme corrosion resistance
- Made in Germany

Item	Shackle Height	Body Width	Pins in Cylinder	Key Options	Body Material	Shackle Material
