LAMINATED STEEL 45 SERIES

45 Series

The 45 Series features many of the same features as the premium 41 Series but at a lower price. This pin tumbler padlock features double ball bearing locking with brass cylinders and the laminates are individually plated for better corrosion resistance.

Key Features

- Fully galvanized for corrosion protection
- Precision brass pin tumbler cylinder
- Hardened steel shackle for extra cutting protection
- Dual-locking levers provide extra pry resistance

Item	Shackle Height	Body Width	Pins in Cylinder	Key Options	Shackle Material
