ROCK 83 SERIES®

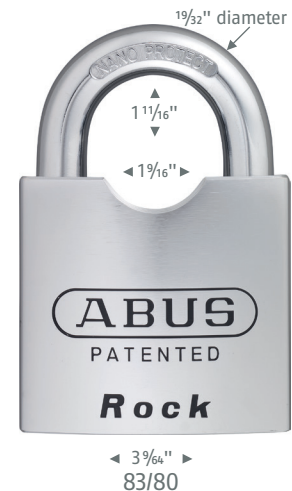

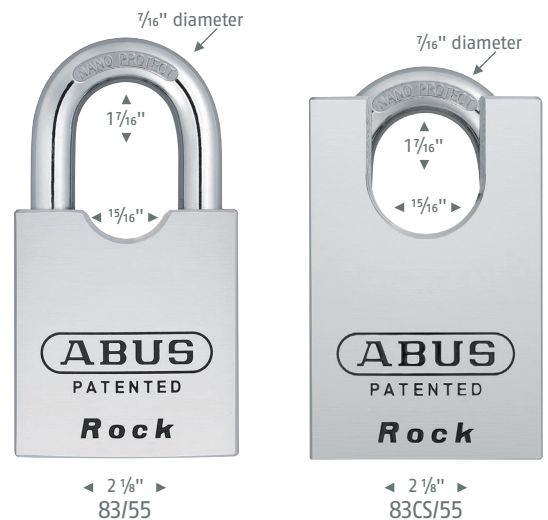

The Heavy Duty Padlock

The Rock 83 Series is made of solid hardened steel and chrome plated with NANO PROTECT™ plating that provides extra protection against the harsh weather elements as well as adding extra security. This heavy-duty, steel bodied padlock offers the ultimate security.

Key Features

- Body and shackle made from hardened steel, chrome-plated with NANO PROTECT™ coating for extreme corrosion resistance
- Patented "Z-Bar" converts key-retaining to non-key-retaining and vice versa within seconds
- Double bolted
- RK: cylinder can be re-keyed to match an existing key
- CS: shackle guard protects shackle from attack
- Cylinder cover available upon request
