HIGH SECURITY SQUARE CHAIN

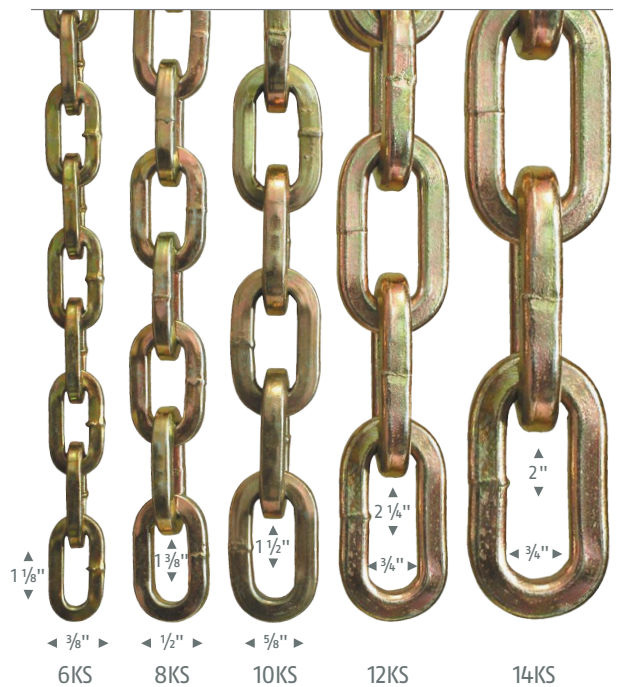

Maximum Security

ABUS high security square chain provides ultimate protection for a variety of applications. Best used to tie down and secure items, ABUS chain is square-shaped to prevent cutting.

Key Features

- Chain made from hardened steel
- Square-shaped links provide top security against all types of aggressive attacks
- Fabric sleeve prevents surroundings from damage
- Available pre-cut (2', 6', 10') or custom lengths
- Available with or without nylon sleeve
