

Secvest Switching-Mode Power Supply

Art.-Nr. FU3819

Seite 1 von 1

Using the Secvest switching power supply, you supply the components of the Secvest range, such as the universal module, with power.

Technologies

- Suitable for Universal Module
- Switching power supply

Technical data - Secvest Switching-Mode Power Supply

AC voltage supply	230 V
Certifications	CE
DC voltage supply	13,8 V
Dimensions	44 x 69 x 83 mm
Height	69 mm
Housing material	ABS
Max. humidity	85 %
Max. operating temperature	40 °C
Min. operating temperature	-5 °C
Net weight	0,19 kg
Power consumption	450 mA
Width	44 mm
