

BORDO™ Lite 6055C/85 black + bracket SH

Security Tech Germany

Seite 1 von 1

The lightweight lock

At just 514 g, the BORDO Lite 6055C Mini is a lightweight lock and offers perfect security-weight ratio.

Thanks to the individually configurable digit code, you no longer have to take an additional key with you during bike rides.

Technologies

- Special steel design, with colour-coordinated plastic casing to prevent damage to paintwork
- The bars and housing are manufactured using particularly lightweight materials and steel alloys
- Bars connected with special rivets
- Two-component number reels guarantee long-term readability of the digits
- Individually configurable code
- Perfect security-weight ratio
- Incl. bracket (SH or SR)
