THE HELMET FOR YOUNG ADVENTURERS

A child's life is full of movement, and the right helmet is simply part of the package.

Kids love action, bring your bike or skateboard, it can't be fast or wild enough. It goes without saying that the right protective equipment is a must.

The Scraper Kid 3.0 is aimed at all young shredders who prefer to spend their free time in the halfpipe or the dirt jumps.

Technologies

- Ponytail Fit: thanks to the opening in the height-adjustable adjustment system, the helmet is also suitable for long hairstyles such as ponytails, buns, or braids
- Reflector Sticker: for better visibility in the dark
- Zoom™ Spin adjustment system: rotary wheel at the back of the head for individual adjustment of the helmet to the head size
- Flap Divider™: strap divider for individual adjustment of the straps below the ears – with clamp fastener to fix the set position
- Comfort Pads: soft padded inserts for optimum comfort, attached to the helmet with Velcro
- Removable, washable pads: can be removed and washed by hand or replaced if necessary
- Push-in buckle: for safe and practical handling, the straps are fitted with a classic chin lock (three-pronged connection) for opening and closing
- In-mould process: production process in which the inner cushioning material made of expanded polystyrene (EPS)

Scraper 3.0 Kid monkey M

is foamed directly into the outer shell made of polycarbonate (PC) – this creates a durable and robust connection
