Cobra™ 10/200 black

Flexible security on the road

When your motorcycle ride comes to a halt, so does the need for your helmet.

Enter the ABUS Cobra steel cable, a reliable way to keep your helmet and gear secure right on your bike. Its loop ends simplify locking, and the synthetic coating protects your bike's finish. With various lengths available, it's a convenient addition to your bike's security routine, offering peace of mind both on the road and at home.

Technologies

- High quality steel cable with two loop ends
- Synthetic coating to prevent damage to the bicycle‘s paintwork

Use and application

- Additional security item to secure components
- Multiple purpose cable for garden, house, leisure activities and work

Tips

- The Cobra-Loop-Cables are a very useful complement for U-shackle, frame and padlocks
- Cable locks stand out due to good flexibility and quite low weight
- This cable is available in various lengths and thicknesses
