

100% STAINLESS BRASS LOCK

The ABUS 75IB marine brass padlock, designed to secure medium-value items in the harshest weather conditions.

Crafted with a solid brass lock body featuring a chrome-plated finish and a stainless steel shackle, this padlock boasts exceptional resistance to corrosion, ensuring top-tier theft protection even in extreme environmental conditions.

Furthermore, its high-precision reversible key locking mechanism offers up to 168,000 unique key codes for maximum security. The paracentric key profile adds an extra layer of protection, making it extremely challenging for lock pickers to compromise the lock's integrity. Rest easy, knowing your valuables are safeguarded come rain or shine with the 75IB marine brass padlock.
