

THE BRASS CLASSIC

The brass-made 55 padlock stands as one of our timeless and versatile locks suitable for various use cases.

The 55 brass lock features a robust solid brass lock body, while its durability is ensured by the hardened steel shackle and non-corrosive internal components. The precision pin cylinder with mushroom counter pins resides within, providing secure locking. Its weather-resistant design safeguards it from wind and weather effects. Operating the lock is simple, as it locks without a key by pressing down the shackle. With its wide-ranging application possibilities, you can use it to secure loop cables, doors, gates, cabinets, lockers, tool boxes, basement windows, sheds, switchgear, barriers, and more.

Technologies

- Body made of solid brass
- Inner components made of non-corrosive materials
