

ELEVATE THE SECURITY OF YOUR OUTDOOR SPORTS GEAR

The T84MB padlock is a solid brass lock with synthetic coating for outdoor use.

Elevate the security of your outdoor sports gear, whether for boating, sailing, camping, RV trips, and beyond, with our T84MB padlock. Crafted to safeguard small to medium-value belongings, this choice is ideal.

Featuring a corrosion-resistant, solid brass build and a precision cylinder, the T84MB padlock stands resilient against the elements. Its synthetic coating offers added protection to adjacent surfaces, ensuring your gear remains intact. Operating the padlock is effortless: a simple press down on the shackle automatically locks it, while unlocking is achieved with the key mechanism.

Technologies

- Lock body and shackle made of solid brass
- Double locking (from 1 3/16")
- Inner components made from rust-free materials
- Self-locking: lock without the key by pushing down the shackle
- Precision pin cylinder
- Paracentric key profile for increased protection against manipulation
- Includes two keys

Use and application

- T84MB20 – T84MB30: protection of smaller assets and objects or those with a low risk of theft

T84MB/50 nautic

Security Tech Germany

Seite 2 von 2

- T84MB40: security for assets and objects of medium value or where there is an average risk of theft
- Ideal for severe weather conditions (e.g., in sea and port areas, for securing vehicles and boats in outdoor use)
- Suitable for securing cupboards, lockers, bags, suitcases, boxes, cassettes, etc.
