Helix 2508C/150

SIMPLY LOCK WITHOUT A KEY

The Helix 2508C/150 is the practical spiral cable lock for kids bikes, scooters and spontaneous stops.

The ABUS Helix 2508C/150 offers uncomplicated basic protection for short stops in everyday life. The super-flexible spiral cable is 150 cm long and can be easily wrapped around bike stands or other fixed objects. After use, the cable automatically retracts back into a compact form and can therefore be transported in a space-saving manner. The plastic coating reliably protects the bike frame from scratches and damage to the paintwork. Thanks to the 4-digit, individually adjustable combination code, no key is required - ideal for kids and all those who like things to be uncomplicated. The lightweight spiral cable lock is particularly suitable for trips to the shops, the bakery or the playground.

Technologies

- 8 mm thick spiral cable (incl. coating): flexible steel cable for protection during short stops
- 150 cm cable length: large locking range for convenient connection to bike racks, railings or other fixed objects – even at greater distances
- Paint-friendly coating: plastic-coated cable protects the bike frame and surfaces from scratches
- 4-digit numerical code: individually adjustable number combination with 10,000 possible combinations – can be reset individually
- Compact spiral design: Cable automatically retracts after opening – saves space during transport

Use and application

- Suitable for short-term protection: for short stops with a low risk of theft, for example, in front of a bakery, kiosk,

Helix 2508C/150

parcel station or on the playground
- ABUS security level 2: recommended for securing inexpensive bikes and children's bikes
- Flexible connection: the super-flexible and long spiral cable makes it easy to connect to bike racks, railings or other fixed objects
- Practical secondary lock: also suitable as a supplementary lock to the main lock – for example, to secure helmets, luggage or bike components
- Easy to transport: rolled-up cable can be wrapped around the seat post or stowed in a rucksack to save space
