Provogue 305 Race winning red

SMALL AND EFFECTIVE

The Provogue 305 is your daily go-to for that bit of extra security when out on the roads. Its compact construction means it can be used on all models that have limited space.

Hard steel, impact-resistant metal casting: Security always starts with robust components. Here at ABUS, we know our stuff. With the Provogue 305, you are getting a brake disc lock that offers proven, basic protection for your scooter.

Comfort included: The large button locks the Provogue 305 at the click of a finger. And the reversible key makes unlocking just as easy.

Technologies

- 13⁄64" steel bolt
- The bolt is made of specially hardened steel
- The lock body is made from impact-resistant metal casting
- Rubber-coated surface
- Comfortable automatic locking thanks to the big closing button
- ABUS quality cylinder with user-friendly reversible key
- Two keys are supplied in the scope of delivery
- Manual cover to protect the keyhole from dirt and corrosion

Use and application

- Basic protection at low theft risk
- Recommended for securing scooters in sight for a short period
