

20 KEYS OR 14 PLASTIC CARDS

The KeyGarage™ 787 with a numeric code is ideal for securely storing and providing access to keys and plastic cards.

Forget about hiding keys under the doormat or flower pot; with the KeyGarage™ 787, you can conveniently store and protect your keys and cards from casual theft. Its robust metal housing can accommodate up to 20 keys or 14 cards, and it even features two key hooks for added convenience. For enhanced security, we recommend mounting the 787 KeyGarage™ in a sheltered outdoor location. Access is granted via a four-digit numeric code that you can customize, ensuring only authorized individuals have entry. This makes it especially handy for situations involving frequently changing groups, such as handyman services, vacation rentals, vehicle rentals, and mobile care providers.

Technologies

- Solid metal housing
- Locking cover made of zinc die-cast
- 4-digit individually settable code
- Protective cover with sliding mechanism
- For wall mounting with screws
- Can hold up to 20 keys or 14 code cards
- Outer dimensions of housing: 80 x 120 x 45
