

INDIVIDUAL LABELS

Our T65AL myLock padlock has a synthetic coating on which you can write a custom label.

Safeguard lockers, gym and school lockers, or tool boxes from unauthorized access using our T65AL myLock padlock. The lock body of the T65AL is crafted from high-quality aluminum and coated with a vibrant synthetic layer. For personalization, these locks offer the option to be individually and permanently inscribed using a waterproof felt-tip pen, such as with your name or a small marking. Locking the product is easy—simply press down the shackle to secure it.

Technologies

- Lock body made from aluminum
- Hardened steel shackle with NANO PROTECT™ plating for extreme corrosion resistance
- Double bolted
- Individual inscriptions possible for easy identification
- Self-locking: Locking without key by pushing down the shackle
- Paracentric keyway for increased protection against manipulation
- Precision 5-pin tumbler cylinder
- Supplied with two keys

Use and application

- To secure valuables/goods of medium value or at an average risk of theft
- Also ideal to individually secure lockers and wardrobes (e.g. in fitness centres), for cellar sheds, tool boxes, etc.
