

SAFEGUARD YOUR ENTRY WAYS.

Our 200 hasp is a solid, durable standard hasp in different sizes.

Safeguarding flush doors, like yard gates and cellar entrances, against unauthorized entry becomes seamless with our 200 Hasps. When direct padlock attachment isn't an option, this solution proves invaluable. The inclusion of a hardened steel staple and concealed screws significantly elevates resistance against break-ins, leaving minimal vulnerable points for potential attacks.

Technologies

- Corrosion protected
- Steel construction
- Hidden screws

Use and application

- Designed for doors closing flush, i.e. door leaf and door frame are level
- To be used with a padlock

Variants

- Sizes: 2 61/64", 3 47/64", 4 17/32", 5 5/16", 6 7/64"

Technical data - 200/95

Hole Diameter c	17/32 inch
Security Level Home Security	2
Weight [lbs]	0.26 lbs
Width a	3 47/64 inch
Width b	1 17/32 inch
color	zinc plated
EAN	4003318016134
