Diskus® 26/80

TRUST THE ORIGINAL

The Diskus® 26: an exceptionally sturdy padlock ideal for safeguarding trucks, vans, cellar doors, and factory gates.

Our Diskus® 26 padlock boasts a robust steel body that offers unmatched security for your assets. The solid interior design further enhances its protective features, ensuring the utmost security. To thwart drilling and tampering attempts, the cylinder is expertly fortified.

Hand-welded seams join the two stainless steel housing pieces together on the Diskus® 26, making it extremely resistant to separation and reinforcing its role as a reliable guardian of your valuable belongings. Opt for enhanced break-in protection and elevate your security with the Diskus® 26.

Technologies

- Heavy-duty stainless steel body
- Massive inner base for enhanced security
- Additional protection against sawing
- Shackle made from special alloy hardened steel
- Drill and pull resistant cylinder
- Diskus® Deep-Welding Technology - maximum strength
- Original Diskus® design: 360° protection
- Key retaining: key is needed for locking (lock retains key until locked)
- Made in Germany
