

TRUST THE PROFESSIONALS

Our Granit™ 37/60 padlock is the lock for the highest security requirements, made in Germany.

Our Granit 37/60 padlock is a top-tier security solution for safeguarding highly valuable items at a high risk of theft. Whether you need to secure doors, gates, containers, or trucks, trust in the reliability of the Granit 37/60.

This padlock is engineered for durability and security, featuring a specialized coating for enhanced corrosion protection. Crafted from hardened special steel, both the lock body and shackle are built to withstand challenges, housing an ABUS Plus disc cylinder for maximum protection.

Choose between a code card or security card when purchasing. The code card streamlines key duplication at retailers, while the security card grants you exclusive control over key replication, only available at authorized ABUS dealers.

For an extra layer of security, consider pairing the Granit 37/60 padlock with our Hasp 130. Trust in Granit 37/60 to protect your valuables with unmatched reliability.

Technologies

- ABUS-Plus disc cylinder: highest protection against manipulation
- Body and shackle made from hardened alloy steel
- Black Granit coating for even more corrosion resistance
- SZP: comes with security card to protect against unauthorized key duplicates
- 2 keys

- Shackle guard protects against attacks with tools
- Cylinder inserted from the top: optimum drill and pull resistance
- Shackle can be taken out

Use and application

- To secure valuables/goods of great value or at a very high risk of theft
- Meets special requirements of insurance companies
- Certified and approved padlock
- To secure e.g. warehouses, industrial sites, factory gates, containers and lorries
- Ideal in combination with ABUS high-security hasp No. 130
