

TRUST THE ORIGINAL

The Diskus® 28 padlock is a proven choice for securing high-value items or objects at a high risk of theft.

Its round shape with a narrow stirrup opening and hand-welded welding seam ensure robust security. The Diskus® 28 padlock is suitable for protecting your valuables stored in barns, cupboards, cellars, or behind doors and gates. Crafted from stainless steel inside and out, with a shackle made of specially hardened steel, it offers exceptional tamper resistance. Its hand-welded seam ensures a strong and secure construction. For added protection, consider pairing the Diskus® 28 with our matching hasp 140.

Technologies

- Original Diskus® design: 360° protection
- Diskus® Deep-Welding Technology - maximum strength
- Hardened steel shackle
- Precision pin tumbler cylinder with anti-pick pins
- Key retaining: locking only with the key (lock retains key until locked)
- Made in Germany

Use and application

- To secure valuables / goods of greater value or at a high risk of theft
- To secure doors, gates, cupboards, cellar doors etc.
- Ideally used with ABUS Diskus® Hasp 140: virtually impossible to attack shackle

Variants

- Sizes: 60, 70 mm
