GRANIT™ 37RK/80

ABUS
Security Tech Germany

TRUST THE PROFESSIONALS

Our GRANIT™ Padlock is the lock for the highest security demands, made in Germany.

The GRANIT 37/80 padlock - the pinnacle of high-security protection for your most valuable assets. Trusted by insurance companies, this padlock meets EN 12320 standards and features a corrosion-resistant coating. Crafted from hardened special steel, it houses an ABUS Plus disc cylinder.

 Choose between a code card or security card for key management. With the security card, only you can authorize key duplication.

Combine the Granit 37/80 padlock with our Hasp 130 for unbeatable security. Rely on Granit 37/80 to safeguard your valuables with confidence.

Technologies

* ABUS-Plus disc cylinder: highest protection against manipulation
* Body and shackle made from hardened alloy steel
* Black Granit coating for even more corrosion resistance
* SZP: comes with security card to protect against unauthorized key duplicates
* RK: cylinder can be re-keyed to match an existing ABUS-Plus key
* 2 keys
* Shackle guard protects against attacks with tools
* Cylinder inserted from the top: optimum drill and pull resistance
