

P616 Control Panel Lockout Bag Small

Seite 1 von 2

SECURE CONTROL PANELS, CONTROLS, AND PLUGS AGAINST UNAUTHORIZED ACCESS

Striking red color plus drawstring bag made of lightweight, durable material

The eye-catching, signal red color of the P616 console lockout device ensures that accidental or unauthorized access is prevented. Furthermore, the draw-string bag is made from lightweight yet tough material. It is closed with a retaining strap that is secured using a padlock.

Technologies

- Made from light yet durable polyester
- Closable thanks to a retaining strap
- Retaining strap with five opposing metal eyelets for flexible closure

Use and application

- Protection of large plugs and consoles with a padlock or a hasp as a multiplier.
- Flexible, water-resistant and highly-resistant to heat and soiling
- Easy handling

Tips

- Despite this, if there should be a risk of tampering, control consoles can additionally be concealed in a standard plastic pipe to prevent switches and knobs from being touched.

Variants

- Dimensions: 160 x 450
